

Logo Designs

Logo designs will run between \$100 - \$200, depending on the complexity. Once you let us know what you are looking for, we will give you a fixed price (not including taxes). With this price you will receive the original proof, and two new proofs with changes you want on the logo. Any additional proofs with changes will be an extra \$15 per proof. **Reminder: The more information given to us about what you are looking for, the lower the chance of you having to pay the extra proof cost. (i.e. pictures, fonts, themes)**

We require a 50% deposit before our graphic designer starts on the logo design. Once the remaining balance is paid you will receive the logo in the following formats:

- Vector (Can be edited):
 - ai
 - pdf
 - eps
 - svg
- Bitmap (flat image – cannot be edited)
 - jpg
 - png

Any other formats can be requested by the customer.
